

OPTIONAL DCC NAME BADGE PROGRAM PURCHASE/OWNERSHIP/DISPLAY/STORAGE

The Dallas Camera Club (DCC or Club) hereby informs its members that in addition to the continued use of DCC's paper name tag (name tag) with clear plastic sleeve provided for free to new and existing members, a white plastic name badge with magnetic fastener (name badge) is now made available for purchase, display, ownership and storage as an option to new and existing members at no cost to Club.

Members who elect to obtain it will bear the cost of optional name badge.

For consistency of optional name badges, DCC will provide supplier name, product description and design, size, and Club logo. DCC has developed a template at supplier for use by members when ordering name badge. Member need only follow attached How To Order instructions. Name badge is 1-1/2 inches tall by 3 inches wide with Club  in color, member name in **bold** black font and *Member Since [year]* in black italics font, all on white background.

Supplier for name badge is NameTagCountry. It was selected because of lowest cost for the type of name badge desired.

DCC Optional Name Badge Example can be seen in attachment.

Member(s) who choose to purchase optional name badge will be responsible to order, pay for, receive, display and store his/her own name badge.

Cost to member for individual order of name badge is estimated to be < \$15 including product and shipping. There is no tax for members who live outside of Tennessee.

Bulk orders of 2 or more name badges from a single member are possible with resulting cost savings per badge. Cost savings can result in 1 and/or 2 ways: prorating shipping cost per badge ordered, and/or, ordering 11 or more badges saves \$0.80 per badge; ordering 26 or more badges saves \$1.60 per badge; and greater savings is possible for even greater numbers of badges ordered.

Instructions for ordering name badge(s) are attached for information and use. See How to Order Personalized Dallas Camera Club Name Badge(s). It is intended that these instructions will be posted in DCC website for use by members and future members.
