HOSPITALITY - As we do not have a hospitality chairperson, the first person on the list is asked to bring 2 bags of ice, cups, small paper plates, napkins and forks in addition to bringing some snacks. Please contact the other people scheduled with you to decide who will bring drinks, etc. so everyone does not bring the same thing. Additionally, if you know you will not be at the meeting when you are scheduled for hospitality, please make arrangements to find someone to take your place.

Phonetic Spellings for Difficult Names and Places

If your name is often mispronounced, please include a phonetic spelling in parenthesis next to your name on the back of prints. Also, if the name of your image includes a non-English word, help the print judge by placing a phonetic spelling next to that word. This will uphold the integrity of your work by having your name or your image's name correctly pronounced.

On October 19th, the Dallas Camera Club will host the Ft. Worth Camera Club for the annual “Bird” Contest. Each club will submit 15 prints and 15 slides to be judged by a panel of judges. The club with the most points will win the contest and will get to keep the sculpture affectionately known as “The Bird” at least until next year and have their name engraved on it. The Ft. Worth Camera Club currently has the trophy. **We would like to win it back!** To do so we need our members to bring 4-5 of their best prints and slides to our meetings on Sept. 7th, Sept 21st, or Oct. 5th. Prints and slides that have won in this year's club monthly competitions are eligible.

For Sale:

Epson 2000P printer, complete with all original accessories. Archival, pigment ink process for maximum print life. Works great (my recent printer problems were with the old 1520, not this machine). Used very little - I prefer the brighter colors of dye-based inks. Paid \$799. Sale \$250. Recent EBay sell prices from \$255 to \$325 (plus shipping and handling). Will bring to meeting if anyone is interested.

January Monochrome Print Challenge

The **January 2005**, monthly print competition theme is OPEN. For the monochrome competition, participants are asked to print their images in shades and tones of any ONE color, but not Black and White. For example, an image printed in shades of blue might be used to convey cold. Or perhaps, an image printed in shades of pink to reflect love. Sepia prints would qualify. This is a one month challenge for monochrome only. No change to the color print competition rules. Demonstrate your imagination and enter some real creative prints in the **January** Monochrome Print Challenge.
