## Special notes

ID	Note
1	This is a very urban area and there is traffic at all hours. Substantial safety measures should be taken.
2	The best time is directly after heavy rain events. This will give you the opportunity to get a skyline shot with reflections from the river.
3	There is a large parking lot and it is free.

## Overview

This is one of the best locations to photograph the Dallas city skyline. It is located immediately adjacent to the Margaret Hunt Hill Bridge and overlooks the Trinity River basin.

## Parking

After crossing the bridge, turn right on Gulden. In about 200 yards, you will approach the intersection of Canada and Gulden. Take an immediate hard right to enter the parking lot.
