## "Celebrating the Print"

### Dedication

Gary Kelly  
1935-2021

The Dallas Camera Club celebrates the memory and photographic achievements of Gary Kelly. He was Past President and, for many years, Field Trip Director of the Dallas Camera Club. During his years of service to the club, Gary was a mentor to many members and a friend to all.

He was a long-time resident of Grand Prairie and a supporter of the Grand Prairie Arts Council.

Gary believed the photographic print was a work of art. The members of the Dallas Camera Club share this belief and dedicate "Celebrating the Print" to his memory.
