Overview

You can park at 2400 Prairie Creek drive and walk about 150 yards or you can park on the street at 2600 Prairie Creek Drive. This waterfall is fed by a creek, so the flow is dependent on recent rains.

Parking

Here is a picture of the 7 parking spots.

The Waterfall

The waterfall is about 50 yards from the street. There are limited opportunities from the street level. There is a nice rock walk way down to the creek bed. However, the creek bed can be very muddy. This image is from the creek bed.
